REPORT OF THE MISSION BOARD OF TEXAS ANNUAL CONFERENCE.

We have collected for Foreign Missions \$10,245.68
 For Foreign Mission specials 2,139.20
 For Conference and Home Missions 13,577.74

During the year we have supported 60 Missionary charges. Four of these have been raised for circuits or partitioned into other missions or circuits, viz: Brenham district, Lions and Brookshire & Patison. Houston District, Humble Mission, Navasota District, the Willis Mission. The following have been raised to Stations or otherwise taken from the Mission Board: Houston District, McKee Street Mission and Harrisburg Mission, Marlin District, Teague Station, Pittsburg District, Hardy Memorial Station. We call the attention of the Conference that these two missions have now become two of the strong stations of the Conference.

We commend the City Mission Board of Houston for relieving the Board of Missions of the support of the McKee Street Mission. We recommend wherever it is possible that the City endeavor to take care of a part at least of the Mission Charge or Charges, within its bounds.

We commend Marvin Church, Tyler for the employment of a missionary to do work in Smith County.

We call attention to the disciplinary requirements of the Missionary committee and the Every Member Campaign.

We appoint J. W. Bergin, W. J. Johnson, S. R. Hay, J. W. Hoke, C. W. Boone, a Missionary Campaign Committee.

We appoint Glenn Flinn, C. T. Tally, W. F. Packard, W. L. Dean, a committee on Evangelism.

The Board requests the Bishop to appoint J. W. Bergin Conference Missionary Secretary.

The amount assessed this year for Foreign Missions is \$11,200.00
 For Home and Conference Missions 14,500.00

We make the following apportionment to the several districts of the Conference. (See Assessments).

We deeply regret that neither the Home nor Foreign Missionary assessments are paid in full. Never in the history of a church have the needs been so great. Our Foreign Fields need men and money, our prayers and sympathy, and the need is now. Within our Conference field with the Government Immigrant Station in Galveston, now about complete and second only to the Immigrant Station at Ellis Island, with thousands of immigrants pouring into our country, with the opening, within the year of the Panama Canal, and with the mad rush of

people to the Cities the needs are staggering. To save Texas, our Conference must be saved; therefore we recommend and earnestly entreat our pastors and people to secure their assessments for missions, and that in full by March the 1st, of the present Conference year.

Respectfully submitted,
J. N. Bergin, Con. Missionary Secty.

REPORT OF THE BOARD OF EDUCATION.

Our Board of Education beg to report:

The correspondence school, offering the service of an able faculty in directing the studies of the undergraduates, deserves the support of the examining committees, and our young ministers should be brought under its supervision. The department of ministerial supply and training will find its measure of efficiency gauged by the responses of the pastors to its request. Pastors should take care to furnish this board with the names of ministerial candidates, as directed in paragraph 140 of the Discipline.

The theological department of Vanderbilt University through Dean Tillet, make a gratifying report. Of the 1122 students in the seven departments of the University, last year, 134 were candidates for the ministry.

The Chappel Hill Female College, through its trustees, makes the following report:

"That owing to our failure to secure a president, whom we felt would give satisfaction, and because of an indebtedness on the property, the school is not in operation, this year."

The Conference is asked to confirm the following trustees for said College: J. J. Shaver, in place of C. A. Hooper, deceased, R. K. Felder to succeed J. L. Russell and W. D. Crockett to succeed E. W. Tarrant whose terms have expired.

Alexander Collegiate Institute is reported to be in an unusually prosperous condition, having the largest and highest grade of student body the school has ever had. The enrollment to date is 264. Pres. M. L. Lefler has shown himself to be a most efficient school man, and his administration is giving marked satisfaction.

It is recommended that the following trustees be elected: S. S.

McKinney, to succeed G. W. Riley, whose term expires, Frank L. Devereux, to succeed himself, John C. Box, to succeed J. W. Bergin, resigned.

Southwestern University reports an enrollment of 854. Its freshmen class of 250 is the largest ever reported by a Methodist college. The institution's good management, religious life and prosperous condition is worthy of our high commendation.

It is recommended that Frank Seay be appointed to the professorship he now holds and that Homer K. Morehead be appointed a student to Southwestern University.

The trustees of Southwestern University having made application to the Board of Education of the Methodist Episcopal Church, South, to place the University in class "A," this Conference is asked to confirm said request.

The terms of Trustees of the S. W. U. of Wm. Wiess, Nathan Powell, Cone Johnson and Ellis Smith having expired, we recommend W. Wiess to succeed himself, E. C. Lamb to succeed Cone Johnson, R. W. Adams to succeed Ellis Smith and J. W. Mills to succeed Nathan Powell, and I. P. Sessions succeed W. F. Gibbs, resigned.

Southern Methodist University.

We congratulate the church upon the splendid progress made thus far towards the establishment of this great institution for higher learning. The large donation of 660 acres of land and \$300,000.00 in money and negotiable notes made by the City of Dallas, is enough to challenge the liberal spirit of every loyal Methodist in the whole state. The offer of \$200,000.00 from the General Education Board of New York on condition that we raise from our members and friends by July 1, 1913, \$500,000.00 in addition to the gift from Dallas furnishes a further cause for bending every energy to meet the conditions. We are glad to report that \$276000.95 has been secured in signed pledges.

We recommend:

(1) That a great educational rally be held in Dallas, allowing one delegate for every 40 members, and every church may have representation.

(2) That April and May be set apart as Education months for an every member campaign.

(3) That our pastors be asked to appoint an educational committee in every charge.

(4) That the trustees of Southern Methodist University are hereby empowered to so amend the charter that the West Oklahoma, East Oklahoma, New Mexico, and such other conferences, as may desire, may have control and oversight of said University, and that only two trustees shall be elected from each conference.

(5) That we concur with the West Texas conference in the establishment of a department of biblical instruction at the State Uni-

versity, and we nominate W. F. Packard as one of the directors.

(6) That we agree to the appointment of an auditor for all our conference schools;

(7) That the second Sunday in April be designated as Education day for this conference;

(8) That we request the Bishop to appoint Nathan Powell student to the University of Chicago.

The conference is asked for the following assessments for the conference year: General board \$3429; S. M. U. \$2600; Medical Dep. \$1000; A. C. I. \$4250; S. W. U. \$4875; Theological Dep. \$1000; Summer School of Theology \$300. Total \$17,454.00.

(9) We recommend James Kilgore and J. C. Box as trustees of S. M. U., and that J. W. Threadwell be appointed commissioner of Education for A. C. I.

C. F. SMITH, Sec.

REPORT OF THE BOARD OF CHURCH EXTENSION.

Dear Brethren:

Your Board to whom has been committed this delicate work has prayerfully and patiently gone over it with great care, and we find we have occasion to be very thankful to the great Head of the Church. Yet we realize we are but on the threshold of achievement. With all these visions of the future your board has been greatly confused if not humiliated seeing the field so white unto harvest that there are so many pressing needs while our resources are so meager. More than thirty applications asking for \$6,375.00 were received, while your board has only \$3979.18 to meet these pressing demands.

It was the wisdom of the Conference a year ago on the recommendation of your Board, to set apart ten per cent of the funds on hand as a loan fund. Realizing that in many instances a loan would give quite as much relief to applicants as a straight out donation, your Board has unanimously recommended that we add another ten per cent to this thus making it twenty per cent.

The following preamble and resolution were unanimously adopted by your board:

"WHEREAS, This Board of Church Extension of the Texas Conference, has committed itself to the policy urged by the Parent Board of Church Extension of raising and maintaining a Conference loan fund; and WHEREAS, the honored Treasurer of this Board, T. S. Garrison, has given the Church such eminent service through both the Parent Board and this the Conference Board, having been continuously connected with these Boards for more than thirty years; and WHEREAS, that we believe that to have his name permanently connected with the Board for all time to come will prove an inspiration to the cause of Church Extension,

Therefore, be it resolved, That the loan of this Conference shall hereafter be known as the Smith-Garrison Church Extension Loan

Fund of the Texas Conference.

Signed

A. A. WAGNON, SAM R. HAY.

Your board desires to call special attention to what is known as our representative Church at Washington, D. C., by the following resolution:

Here followed a resolution to the effect that we pledge ourselves as a conference to help raise the balance needed on the Washington church. The amount asked for of this conference, was \$5000, to be paid in 3 annual installments, which, after an amendment providing that this shall never become an assessment, and that the Bishop appoint 10 men to adopt ways and means to raise this amount. was adopted.

We recommend,

(1) That all our people be asked so to build in the future so as to provide suitable facilities for S. S. work.

(2) That when making application to this board for help that the floor plan of the proposed building be submitted;

(3) That the board of church extension be consulted as to plans when building churches, and we especially indorse the Akron plan;

(4) That the P. E.'s are asked to have a representative of the board at their district conferences;

(5) That the thanks of this conference are due Hon. T. S. Garrison for the gift of \$1000.00 for a loan fund of this conference;

(6) That Sunday, May the 5th be set apart as Church extension day, and that our pastors are urged to preach upon the subject of Church Extension that day.

(7) That the sum assessed upon this conference for the ensuing year be \$9,567.00, distributed as follows: (See assessments.)

REPORT OF SUNDAY SCHOOL BOARD.

We, your Sunday School Board, beg to submit the following report:

We are sorry to note from the Pastors' reports a falling off at some points in our Sunday School work. We have this year 497 schools in the Texas Conference, 46 less than last year. In these schools the total enrollment is 49058, a loss of 2612 from last year. These schools raised this year for missions, \$5,181.00 which is \$1,025.00 less than last year. For Children's Day the statistical tables

show a loss of \$26.00 this year as compared with last. For all purposes these Sunday Schools raised during the year \$31,603.00, a gain over last year of \$1,230.00.

During the year we have attempted to reach two districts by means of local and group institutes. The weather and health conditions of last winter and spring prevented a full and fair trial of the plans of your board. We desire to organize, and develop Sunday School work in the territory of the Conference according to the plans of our General Board. We call attention to the following phases of our general activities.

Organized Classes—The greatest agency for the enlistment of the older men and women, and the holding of the younger, in Sunday School is the organized class. We insist that all classes of pupils from the intermediate department upward be organized according to the plans supplied by our general board. And we also insist that all organized classes in our Sunday Schools be enrolled as Wesley classes.

Loan Fund—Our General Board has requested that in each Sunday School each pupil shall make a birthday offering annually, to the Sunday School Church Extension Loan Fund, which is to be used to aid, by loan, in the erection of churches. The Church Extension board will supply to all Sunday schools making request an attractive glass loan fund bank in which such offerings may be kept. We recommend that the Sunday Schools of Texas Conference have part in this work.

...Missions—The Discipline requires each Sunday School to be organized into a Missionary Society, and it is the purpose of the law that one Sunday's offering in each month, shall be given to missions.

We recommend that a more careful and systematic plan for teaching missions in the Sunday Schools be combined with a regular method of missionary offering.

Teacher-training—The great need of the Sunday School work is a better trained teaching force. Our church was first in the field to make provision for the training of teachers along systematic and graded lines. We urge every pastor in the Conference to write to Dr. Hamill for information and literature, and that study circles be organized wherever possible.

Grading—It is well settled that the best work will not be done outside the graded school. We recommend a study of good books on the graded Sunday School by our pastors and school workers. The literature gotten out by our publishing agents, under the editorship of Dr. Chappell, is as good, if not better, than any on the market.

Recommendations—We recommend an assessment of three hundred dollars for the ensuing year for the support of the work of the Board. (The same to be divided equally between the several Districts).

We recommend that members of this Board be called upon by nearby pastors for aid in Sunday School Institute work.

We recommend that another year our pastors shall bear in mind that no charge has a right to report everything paid in full when it has not taken a Children's Day collection.

We recommend that H. M. Whaling be elected a member of this Board in place of W. A. Manley, transferred, and A. T. Walker, in place of H. C. Willis, resigned.

We, your Conference Board request that the Texas Conference assess \$2500.00 for the maintenance of a Sunday School Field Secretary, and the expense of the Board.

We beg further that in the levying of the assessment the amount be equitably apportioned to the several Districts in such a way as that no Charge assessing its pastor less than \$800.00 shall be expected to have any part of this assessment:

Signed: W. F. DAVIS, Chm.; M. L. LINDSEY, Secty.

The \$2500.00 assessment was not adopted—Ed.

EPWORTH LEAGUE REPORT.

We, your committee on Epworth Leagues, submit the following report:

It is with pleasure that we note a marked advancement in all the departments of the Epworth League.

By the very nature and purpose of its organization the Epworth League is made to depend for its continuance and growth upon the spiritual life of the church. As the pastor so the Church; and as the church, so the league. The Epworth League is a great factor in the young life of the church. And there is no wider and greater field in which to equip and train its young life than in the League. Many of our best equipped and trained men and women in the church have come from the League.

It is of great significance that in our church are held every week by our young people themselves more than four thousand prayer meetings. And it is of no less significance that our young people are holding annually, as well as officering and financing all by themselves something near one hundred State, Conference, Interstate and District Epworth League meetings.

The Epworth Era has been converted into a splendid magazine. This greatly improves it. And the management is to be congratulated. The price in clubs of ten or more is fifty cents for a year, which enables everyone to take it. We therefore recommend that every member of the League subscribe for it.

While the Epworth League is now contributing more than one hundred thousand dollars to the various causes of our Church, yet this amount is inadequate to meet the demands. Therefore we recommend that all Leagues observe Epworth League Day, and that an offering be taken for this work.

Epworth-By-The-Sea is now a reality and worthy of our most loy-

al support. It has already sent out nearly half a hundred strong young men and women to do special missionary work. In this we rejoice. Let every pastor present it to his people, and urge them respond to its call, and to attend our annual encampment at Epworth-By-the-Sea.

Respectfully submitted,
E. L. INGRUM, Chairman.

REPORT OF COMMITTEE ON METHODIST ORPHANAGE.

We are pleased to learn from the official report referred to us that there have been no deaths in the home, and but little sickness during the past year. On all lines the Orphanage has had its most prosperous year, in numbers, religious and educational advantages, and financially.

The enrollment reached one hundred and eighty two. Of these forty one were placed in private homes, a few having been adopted, thus leaving in the home one hundred and forty one, about equally divided as to sex.

The religious advantages are almost ideal. With Christian teachers, matrons, Chappel exercises, the local pastor and church services, preaching, Sunday School, League and Prayer meeting accessible to all, and the children are quite responsive to these formative influences.

Scholastic advantages were the best we have ever had, and the children are reported as having made decided progress, some having completed the Orphanage Course and desiring to go higher. Two of this class were placed in Baylor University, one in Hill's Business College, one in the High School at Arlington, preparatory to entering the Denton Normal.

The securing of a City Fire Station in close proximity to our property, we recognize as meeting a long felt need, in protecting our building, but most of all the lives of our children from the fire fiend.

By the judicious investment of \$7,000.00 in the plant in repairs, in furnishing and in fencing the property is in good condition, and everything is in good running order.

The farming operations of the past year have been universally successful, having cleared about \$2,000.00 in farm products from the labors of the boys, and without interfering with their school duties. The girls also are taught to work and have practical lessons in all lines of household duties, such as cooking, sewing and laundry.

We are assured by the Retiring Manager, that if the Conference assessments are paid in full, all indebtedness of the Orphanage will be met, and a cash balance of possibly \$2,000.00 remaining in the treasury, with which to begin the operations of a new year, a condition unrivalled in the past.

The resignation of L. J. Jester, from the Board of Directors creates a vacancy, which we recommend be filled by the election of J. W. Hoke, of Marlin.

We, as a Conference, are especially gratified at the election of our own fellow-member, Rev. R. A. Burroughs as Business Manager, and we promise our hearty support in his new position. The Retiring Manager, Dr. J. H. McLean, carries with him our high appreciation of his faithful and efficient service and good wishes for his future welfare.

The assessment upon the Conference is the same as last year to-wit: Texas Conference \$3,000.

Respectfully submitted,

J. W. JOHNSON, President.

REPORT ON AMERICAN BIBLE SOCIETY.

The past year's work of the American Bible Society has been the best in all its long and useful history. More and more is this great organization coming to be recognized as one of the outstanding forces in the world's civilization and Redemption. What it is doing for our church could not be done by our church in a single capacity, for less than ten times the amount we are contributing for its support. It is even spending within our own borders at least, two times as much money as we are giving to it.

Its work among the Foreigners of our State is worthy of special commendation. Any thoughtful study of the situation will convince one that it is doing more, for the saving of the aliens among us than any other organization in our bounds. And yet it is by no means doing what it ought to do for Texas, and for the world. It is sadly handicapped for lack of funds. It will startle us to note that out of more than 42,000 homes visited by its workers during the past year in the Southwestern Agency, more than 17,000 were found without a Bible. To meet the demand this can be done only through an increased interest in the Society's work, and an enlarged support of its treasury on the part of all Christian people, and our people among them.

Your committee, then, would suggest that some Sunday of the next year, be set aside in every Pastoral Charge for a presentation of some aspect of the Bible's contribution to the world's civilization, or of the particular work of the Bible Society.

We recommend also, that the assessment in our Conference be the same as it was last year—\$1000.00—and that it be apportioned to the districts according to the established scale.

Signed

L. H. McGee, Chairman of Board.

GLENN FLINN, Secretary.

BOOKS AND PERIODICALS.

We beg to submit for your consideration that the committee on Books and Periodicals, having had under consideration the publications of our church, find that our literature is widely circulated, and the standard of our publications are of the highest grade.

We rejoice at the success of our Publishing House at Nashville, Tenn., and note the net increase in the sales of the house to the amount of \$22,120.07 .

We are pleased to report to your body that the business of of the Dallas house is a most satisfactory one, and that our preachers and people have easily access to the best literature published and at prices in keeping with the demands of the times.

During the year, for the convenience of the Eastern Conferences a Branch House has been established at Richmond, Va. This house opened its doors in March, and we are pleased to report that it gives promise of being a successful venture.

The book agents are pleased to report progress in every department.

Methodist Review.

The Methodist Review has become one of the leading periodicals of world-wide Methodism under the able editorship of Dr. Gross Alexander. It maintains its high standard and its circulation meets expense of publication, and yields some revenue to the House. We trust it may find a place in all our libraries.

Christian Advocate.

The Christian Advocate, published at Nashville, has met the cost of publication during the past year, and it is maintaining its high standard of literary and theological merit. The present editor, Dr. T. N. Ivey, is giving to the church one of the strongest Advocates published in American Methodism. We commend the Editor and the policy which he pursues, and bespeak for the Advocate a wider circulation.

EPWORTH ERA.

The Epworth Era, beginning with the first of September, 1912, is issued in magazine form, and judging from the present standard which it maintains our young people have an organ which is not excelled anywhere in the land. The present editorial staff are giving our young people a magazine of the first class. We regret to report that this most excellent magazine is published at a loss of \$4,152.42 for the fiscal year.

SUNDAY SCHOOL LITERATURE.

Our Sunday School literature continues a steady increase in circulation. Dr. E. B. Chappell has proven himself one of the great Sunday School editors of the Protestant world.

The Missionary Voice.

This splendid magazine, the organ of our missionary interests, is among the best publications of that character in world-wide Method-

ism. We trust that every member of the Texas Conference will use due diligence in its circulation.

Texas Christian Advocate.

We would call special attention to our own conference organ, the Texas Christian Advocate. The editorial department is of the highest order, as well as the subject matter of the whole paper. Texas Methodism cannot overestimate the value of the Texas Christian Advocate, and every endeavor should be used by the Presiding Elders and pastors in very charge in its circulation. We are pleased to note the re-election of Rev. Geo. C. Rankin, D. D., to the editorship for the fifteenth successive year, and we commend the Board of Publication for its wise selection.

We commend the publisher of the Texas Christian Advocate, Lewis Blaylock, for the high standard which the business department has attained.

Resolution.

Resolved, That it is the sense of the Conference that the preachers make a very special effort during the year to place the Advocate in the homes of all our people.

We recommend that Jno. E. Green be appointed as field Editor of the Texas Christian Advocate.

W. J. JOHNSON, Chairman.

JNO. L. WILLIAMS, Secretary.

SABBATH OBSERVANCE.

The Sabbath is an institution of God. One of His great commands is: "Remember the Sabbath day to keep it holy."

The Sabbath is essential to man, physically, intellectually and spiritually. When men cease to regard the Sabbath, they cease to love God, the Church and humanity and this means decay in both Church and Nation.

We do not believe that the Sabbath is observed today as formerly. We base our conclusion upon the increase of Sunday Amusement. Men today are using the Sabbath as a day of sport, in fishing and hunting, as never before.

We are placing great emphasis today upon the claims of the Church. Men should be appealed unto to take care of them, but if the Sabbath is not regarded, they will not support the institutions of the church.

We recommend the work done by the Sunday League of America, and endorse the work being done by the Revs. Ed. Thompson and R. C. Armstrong. We also recommend that the ministers of our Conference preach, once a year upon "Sabbath Observance." That our Sunday School teachers and officers impress upon the minds of the children, the sacredness of the Sabbath.

We heartily promise our co-operation in the great work of other denominations.

Signed

JNO. E. GREEN President.

H. T. PERRITTE, Secretary.

REPORT ON TEMPERANCE.

The open saloon has the most destructive evil to the human race. Men have realized this fact ever since the inauguration of this nefarious business. They have long ago seen their grievous mistake, During the past fifty years whiskey killed more people, than have been killed in all the wars for the past two hundred and thirty years.

All medical and scientific authorities unhesitatingly declare that alcohol is a narcotic poison, leaving the heart less capable of performing its normal functions. It is a demonstrated fact that twenty-eight diseases of the human body are caused by the use of this deadly drug. Ex-President McKinley said: "The liquor traffic is the most degrading and ruinous of all pursuits."

Every man who votes for, or favors, legislation which makes possible the sale of alcohol, through the saloon, becomes, a partner to the business, and to that extent is he responsible for its consequences.

This Conference again puts itself on record as declaring that there can be but one constant attitude for Christian people to maintain towards an evil of such gigantic proportions as that of the liquor traffic, that of uncompromising hostility. May God speed the day when every man, who has assumed the obligations of Church membership, shall be found on the right side of this question.

We therefore offer the following resolutions:

First. Resolved, That we heartily commend the work of Dr. G. C. Rankin, for the cause of prohibition through his strong editorials in the Texas Christian Advocate, and through the Home and State.

Second. Resolved, That we encourage the circulation of the Home and State, which is the organ of the Anti-Saloon League.

Third. Resolved, That we encourage the work of the Anti-Saloon League, and pledge it our co-operation and moral support.

REPORT OF COMMITTEE ON SPIRITUAL STATE OF THE CHURCH.

Brethren the church is of God and will be preserved to the end of time, for the promotion of his worship and the due administration of His word and ordinances, the edification of believers and the conversion of the world. We have great reason for profound gratitude to our Heavenly Father for his marked approval upon our Ministry in the ingathering of souls in our own bounds during the year just closed.

The reports of the presiding Elders were most encouraging. Especially so, when we take into account, that our entire state has been in the throes of two great political campaigns during the year. Yet in the midst of these exciting interests there have been nine or ten

thousand conversions and accessions reported during the year. These things, however, should only encourage us to greater effort. This certainly should be so when we take into account the tens of thousands around us who know not Christ.

It is with great humility that your Committee notes in the midst of these great demands upon the Church, that she is yielding in many instances to the pressure brought to bear upon her from the world. It must be confessed that unconsecrated wealth always tends to worldiness. Many of our people are growing wealthy at almost a bewildering rate, and in too many instances they forget to remember to honor God with their substance. Your committee believes that the Earth is the Lord's and the fullness thereof, the world and they that dwell therein, and that therefore those who name the name of Christ, should not be conformed to this world.

Therefore resolved, **First**, that all our people should live while in the world, above the world in their maxims and habits.

2nd. We will in our public administration and private visitations urge upon our people to return to the practice of our Fathers in the erection and maintenance of the family altar.

3rd, that in as much as when God calls men to preach the Gospel He calls them to win souls, and that every pastor therefore should conduct his own revival meetings, and when this is impractical then he should secure, when possible, the assistance of his Brother Pastors.

Respectfully, submitted.

COMMITTEE.

LAYMAN'S MISSIONARY MOVEMENT.

We, your committee beg to submit the following report:

First—The Laymen's Missionary Movement has been well organized in Eight of the Ten Presiding Elder's Districts of the Conference, and fairly well organized in the remaining two. The conference District and Charge leaders have, as a rule, rendered assistance in pastoral charges when and where called upon by the pastors and while we feel that we have accomplished much, we know that we have fallen far short of the accomplishment of the work that we might have done. We pledge ourselves to more faithful work in the coming year, under the guidance of our Presiding Elders and Pastors.

Second—We request the Presiding Elders to continue to give us reasonable time and opportunity at the District Conferences, and the Preachers' Institutes, to advise with the Preachers as to our work.

Third—We hereby place ourselves in the hands of our Presiding Elders and Pastors, and request them to call us to their several charges whenever we can serve them.

Fourth—We have re-elected T. N. Graham of Texarkana Conference Lay Leader and John C. Box, of Jacksonville as Vice Leader.

SIMMONS RESTATE COMMITTEE REPORT.

We have not had an opportunity to examine the deed conveying the land in question or the will of Dr. Simmons bequeathing the funds with which to improve the property, but we have examined such papers relating to the business as have come to our hands, and from them we find that the deed mentioned conveys 610 acres of land, more or less, divided into several tracts in Live Oak Co., Texas, upon such conditions as will make necessary a binding understanding between the church and the representatives of the estate of Dr. Simmons as to the terms on which the property can be accepted and used by the church.

That Dr. Simmons undertook by his will to bequeath the sum of \$100,000.00 to be used in improving the lands mentioned, but that it is not probable that any amount will be available for that purpose.

That the West Texas and other Texas Conferences have selected and empowered Rev. S. H. C. Bergin to represent them in the adjustment of the above mentioned conditions and have requested that this conference take the same action.

That there are taxes and costs due upon the lands mentioned to the amount of \$65.50 which should be paid at an early date.

We therefore recommend that the following be adopted by this Conference.

Resolved that S. H. C. Burgin be and is hereby empowered as the agent and attorney in fact of this conference, to represent it in the adjustment and settlement of the terms on which said property is to be accepted, held and used by this Conference, and that he be given full authority in the premises, but he shall not be authorized to bind this Conference in undertaking to build homes for superannuated preachers upon said land. Nor shall he be authorized to bind this Conference in entering into any financial obligation in its name or behalf, except that the said S. H. C. Burgin shall be authorized to

make draft upon the treasurer of the joint Board of Finance of this Conference for its proportionate part of said amount of \$65.50 now due for taxes and costs, and the treasurer of the joint Board of Finance is instructed to pay such draft. But no further or other financial obligation shall be incurred against this Conference.

REPORT OF INVESTIGATION COMMITTEE.

To the P. E. of the Jacksonville District:

We, your committee appointed to investigate the rumors affecting the moral character of Rev. I. J. Coppedge, beg leave to report that we have carefully and prayerfully inquired into the allegations against the character of brother Coppedge, and we find a trial not necessary. The reports were of the nature of business misunderstandings.

And that this committee shall report to the Conference with recommendation.

RESOLUTIONS.

Memoirs

MEMOIR OF REV. R. W. THOMPSON.

Richard Watson Thompson was born in Lawrence County, Tennessee, on Feb. 17th, 1834.

As early as 1851, he removed with his father's family to Texas. His mother, at an early date, became a widow and Richard was her main stay in the support of her family. His mother's life greatly impressed him in his youth, and had much to do with his life and work to the end. He often spoke of her in private, and in public.

He professed religion early in life. His conviction was deep, and his conversion sound. Nothing else would have served for one of his disposition and decided views of duty and propriety. Here is to be found the basis of his earnest and effective ministry. He was licensed to preach in 1857, and entered the East Texas Conference. He was junior preacher on Harrison Circuit, in 1858. In 1859 and '60, he served Clarksville and McKenzie, where he was a student under Dr. J. W. P. McKenzie.

In 1861, he was married to Miss Elizabeth McFarland, and very soon afterward he entered the Confederate army and continued a brave soldier till the close of the war. He entered a private and came out Chaplain; he entered a devout Christian minister, came out strengthened in his religious character. He at once entered the active work of the ministry, and served Jefferson and Dallas four years each.

In the division of the East Texas Conference, his lot fell in the Trinity Conference. After some years he was transferred to the East Texas Conference, and stationed at Jefferson. For four years he was a popular and successful pastor of that charge, then Presiding Elder of the Marshall District. He was first and last Presiding Elder of the Marshall District Twelve years. He was one year Presiding Elder of the Beaumont District, and served one year on the Palestine District.

He served for quite a while as Presiding Elder, and to say the least, it is doubtful whether Texas ever had a better one.

He was deeply devotional and felt that the first duty of the pulpit is to administer to the spiritual interests of men.

For many years Bro. Thompson stood with the ablest men of his Conference. He took upon himself to guard the door of the Conference.

After superannuation he threw himself so earnestly into the work of the orphanage that he was an effective preacher for a number of

years. After this, as his last work, he was engaged in securing homes for the families of deceased preachers.

In the life of this good man, his beautiful home life must not be overlooked. No wife ever had a kinder husband; no home impressed one as more devoutly Christian than that of Bro. Thompson. He took into his home several children born in other homes, and reared them to happy, Christian lives. Each of these thought he was a great and good man. Bro. Thompson was a strong man, intellectually and morally, and did a great work in life. His ministry will abide the test. When Uncle Dick died a great man in Isreal ceased to live.

As the end drew near he expressed a wish to go. The day before his death, he said, "Only one more day between me and Heaven, tell the Brethren the old ship, though battered and bruised, does not leak, Christ is at the Helm, and will see me safely on the Heavenly Shore."

REV. CHARLES A. HOOPER.

Rev. Charles A. Hooper, son of George and Mariah Hooper, was born in New Orleans, La., Feb. 26, 1866, and died in Dallas, Texas, Feb. 2, 1912. He was left an orphan when 9 years old, but from then until he was seventeen, he was cared for by his brother James, a devout Christian man. His parents were English people, and of the Episcopal Church, but because there was no church of that faith convenient to them, he was sent to a nearby Methodist Church and Sunday School. When twelve years old, he came with his brothers to Galveston, residing there two years and then returned to New Orleans. There he was converted, and united with the Morean St. Methodist Church. For a time he was at Biloxi, Miss., but after the death of his brother James, he returned again to New Orleans, being now seventeen years old. After a year with his sister he removed to Rockport, Texas. While there was first a class leader, then an exhorter, and then licensed to preach. In his twenty-first year he came back to Galveston uniting with the St. James Church.

Having for some time felt called to the itinerant ministry, he came in 1887 to the Texas Conference and was admitted on trial, to which gave twenty-four years of earnest and efficient service. His appointments in their order were: Ledbetter Mission 1888, First St., Austin, 1889-92, McKee St., Houston, 1893-4, McAshan, Houston 1895-8, Navasota 1899-1900, Presiding Elder, Huntsville District, 1901-4 Timpson 1905, Rusk 1906, Port Arthur 1907, West End, Galveston, 1908-11. He was appointed to Wills Point for 1912, but was never able to conduct a service there.

His educational privileges were restricted in his youth, but he had well supplied the deficiency by diligent study in after years. His four years on the Huntsville District were of signal good. He found it weak, but left it much strengthened in many ways. In three other of his appointments did he fill up quadrenniums, a record of six-

teen years out of twenty-four served in four appointments. Sinners were converted under his ministry, not only in revival services, but also in the more regular work of the pastorate. At the very last service he held, the one that completed his four years at Galveston, two persons were brought into the church. In his methods he was diligent, systematic and painstaking. In manners he was courteous and in spirit modest and brotherly. Harsh words of criticism of his brethren were foreign to his lips, nor did any ever hear him complain of any appointment.

He came to the last Conference in broken health, and he steadily declined until the end. He was confined to his bed during the last six or seven weeks of his illness, much of the time in delirium and almost constantly in pain. In his lucid moments he was concerned for his work.

He was married, June 24, 1895, in Houston, Texas, to Miss Carrie Belle Beazley, who proved herself a true helper in her husband's labors. To them was given one child, a daughter, who, with the mother knows the loneliness of the separation. His home life was beautiful, the affection for wife and little one being strong and tender.

May the consolations of God's grace sustain the wife and daughter, and other loved ones who survive him.

D. H. HOTCHKISS.

REV. GIDEON POWLEDGE.

Gideon Powledge, son of John M. and Frances F. Powledge, was born in Macon, Georgia, March 1, 1831. He was converted and joined the M. E. Church, South, in 1845. He was married to Miss Louise B. Sewell near Hogansville, Ga., Dec. 16, 1851. To them were born nine children, of whom four are dead and five living.

He was licensed to preach in March, 1860, and ordained deacon by Bishop Geo. F. Pierce in 1865. He was elected to elder's orders in 1869, and was ordained at Lagrange, Texas, in 1872, by Bishop J. C. Keener. He was admitted on trial into the Texas Conference at Bryan, Texas, in 1882. He supplied the Madisonville Circuit from 1871 to 1876, and Waverly Mission in 1882. He was appointed to the same work in 1883; Huntsville Circuit 1884-6; Cold Springs Circuit 1887-8; Zion Circuit 1889-90; Millican Circuit 1891-3; Prairie Plains Circuit 1895. At the close of that year he took the superannuate relation.

Bro. Powledge was a soldier in the Civil War, on the Southern side. In 1860 he joined Cook's Georgia Legion, and went to the front. While in the army he did not forget his religion, but, in connection with a few religious comrades, held prayer meetings each evening near the camps. The earnestness and faithfulness of this consecrated Christian soldier so appealed to the reckless ones and the power of

God so got hold of them that "Though they came to scoff, they remained to pray." In fact Bro. Powledge's work among the soldiers was so effective that they made him chaplain of his regiment.

After his superannuation at the close of the year 1895 he still continued to preach as he found opportunity. As his bodily powers waned his spiritual strength increased. Up to the time of his death this year, he filled his 4th Sunday appointment regularly. He died Sept. 10, 1912, being 81 years, 6 months and 9 days old, to be reunited to the faithful loved ones who had preceded him to the better world. In the years gone by he had said to his Lord, "Here am I, send me," When the final roll is called up yonder, we feel sure the same faithful voice will answer, "Here am I."

ALPHONS NOLAN.

Again we mourn the departure of a brother beloved. Another comrade has fallen in battle, and left the record of a good life. Alphonso Nolan, devoted Christian, true and tried minister of Jesus Christ, has fallen on sleep, and gone up to receive his crown. He was born November 4, 1869, in Georgia, but moved to Texas with his parents when only twelve years of age, and was a devoted son of his adopted State. Born in a Christian home, and trained by a godly mother, he was always a good boy and was saved from years of profligacy and sin. When seventeen years of age at old Starrville Camp Ground in Smith county, under the ministry of Rev. A. Little, he was converted and joined the M. E. Church, South. His conversion was clear and satisfactory. Like Paul, he often spoke of the wondrous change that came to him in his conversion. His call to preach came at the time of his conversion, but his education was so limited, that he hesitated and drew back from the work that he felt was far beyond him. But finally he yielded to the call. He was licensed to exhort August 24, 1895, and on July 19, 1897, was licensed to preach. One, who was his pastor during these years said of him, "He was the most loyal and faithful preacher I ever knew." He was admitted on trial in the East Texas Conference, December, 1901, and was ordained deacon as a local preacher at the same Conference by Bishop A. W. Wilson, December 8, 1901. Was ordained elder by Bishop W. A. Candler November 29, 1908. He served the following charges: Meredith Circuit, 1902-1903; New York Circuit, 1904; Corrigan Circuit, 1905, 1906; Cushing Circuit, 1907, 1908; Melrose Circuit 1909; Linden Circuit 1910, 1911, and three-fourths of the year 1912. From the very first, he went to his appointments cheerfully, and served them faithfully, and although they were all of them charges where the support was meager, yet he never complained of mistreatment. He read and studied his Bible, and a few other good books well. that ne grew to be

"a workman that needed not to be ashamed." His preaching was instructive and edifying. His work was constructive; he never left a charge that he did not leave it in better condition. This is eminently true of the charge served last. For two years and three-quarters of the third, he served Linden Circuit with increasing zeal and great acceptability. He had special qualifications for work in the overlooked and neglected and passed by fields where he preached, and held meetings, and organized churches, and did work of great and far-reaching effects. His going away was tragic in the extreme. He had just entered upon his round of revival meetings. He had closed a very satisfactory meeting only a few days before where he had done all of the preaching and on his way to another, when descending a hill, a part of the harness was severed, the horses became frightened, and he was precipitated to the ground, sustaining injuries of which he died the morning of the second succeeding day. At the Sabbath hour, when he loved to hold up Christ to a dying world, he gently breathed his last, and while he left no dying testimony, yet no one who knew him, will doubt that he has gone to be with Him always.

August 4th, in the presence of an immense throng, he was laid away in the cemetery at Linden, to await the resurrection of the just. Funeral services were conducted by B. C. Ansley and L. B. Saxon.

He was married to Miss Alice Denton in Smith Co., March 11th, 1894. Six children blessed this union, who, with their mother and his, mourn his departure. But they have the assurance that some day, if faithful, they shall see him in "Our Father's house," May God comfort them, and make good to them the promise "to be a father to the fatherless, and a husband to the widow." And, may we, his fellow-ministers, labor on until we shall meet again "where all tears cease from flowing."

MEMOIR OF REV. J. M. ADAMS.

Rev. James Martin was born near Montgomery, Texas, June 19th, 1850. His father was Cephas Adams and his mother, Mrs. Louise W. Adams, both earnest Christian people. He was converted under the ministry of Rev. W. F. Compton, pastor of the Blue Ridge charge, in 1876. He was licensed to preach on the Bremond charge in 1884, Rev. Fred Allen P. E. and T. F. Dimitt P. C. He was admitted on trial in the Texas Conference at Houston in 1887, Bishop Duncan presiding. He was ordained a local deacon at the Conference at Huntsville and ordained elder by Bishop Fitzgerald at Austin 1891. He died in Calvert Sunday, Oct. 27, 1912, and was buried the next day, I. F. Betts, P. E. preaching the sermon. His entire life was spent in the bounds of the Texas Conference. He was married to Miss Earlie Millican at Millican, Texas, Dec. 1, 1889. He served the following

charges: Zion and Bedias 1888; Millican and Welburn 1889, Kosse 1890; Rockdale 1891; Madisonville 1892-94; Wheelock 1895; Pattison Circuit 1896; Alvin Station 1897-8; McAshan-Harrisburg 1899; Flatonia 1900; Navasota 1901-2; Center 1903; Mt. Pleasant 1904-6; Gilmer 1907-8; Rockdale 1909; and served Calvert 1910-12.

During his ministry he built two churches, one at Brookshire and one at Midway. During his second pastorate in Rockdale he erected a parsonage and also one in his last charge. Brother Adams was a consecrated man. His disposition was bright and sunny. He was always hopeful even under the most trying circumstances. He was also a man of great faith. He accepted God's word and believed in an over-ruling Providence. That faith was his until the last. He was a man of unswerving convictions. You knew where to find him. He loved children as few men ever did, and they loved him. He was a devoted husband, and a true friend. I believe he made the bravest fight for his life I have ever witnessed. But it was without avail. He never complained, but was sweet, patient and loving to the end. Shortly before his death he gave me full directions for his burial and then said: "Tell my brethren that I love them all, and that all is well; I am not afraid to die, but I am ready." I. F. BETTS.

MEMOIR OF MRS. ELIZABETH (WATKINS) SMITH.

Mrs. Elizabeth (Watkins) Smith, wife of Rev. Caleb H. Smith, (Uncle Caleb) of the Texas conference, died at her home in Smith County, Texas, near Bascom Church, July 11, 1912, in the eighty fifth year of her age. She was born in Tennessee, November, 1827, and was married in June 26, 1849; moved with her husband and four little children to Texas, in December 1858. For sixty three years she shared with her husband the joys and sorrows of life in this world. To them were born eleven children: five of them preceded her to her heavenly home. The six remaining children 4 sons and 2 daughters all have families, are good citizens, useful members of the Methodist Church. Sister Smith professed religion at a very early age, and joined the Methodist Church, of which she remained a faithful and useful member as long as she lived.

She was a good woman, devoted to her husband and children, and her home was the preacher's home. When during the Civil War her husband was away in the Confederate Army nearly four years she took care of the children, ran the farm, spun and wove the clothing for herself and family and others, entertained any wounded or sick soldiers who chanced to pass that way. Her husband gave his heart to God in his early boyhood and has been a faithful exemplary member of the Methodist Church ever since.

In all the arduous labors which belonged to the ministry of a typical Methodist circuit rider, Sister Smith bore without complaint the

burdens of this life, never murmuring, but always glad to share his lot.

Sister Smith was a helpmeet for him. She had been in feeble and declining health for several years, and when death came she was ready; she died in the faith, in peace and triumph. Her husband and children and grand children and neighbors tenderly laid her remains away in the church yard at Bascom to await the resurrection of the last day.

MRS. MARGARET LILLIAN WATTS.

Margaret Lillian Watts, (nee Blaylock) was born near Marshall, Texas, November 25th, 1872, and grew to lovely womanhood in the community of her birth. She was born in a Christian home, and never knew anything else but to be a christian herself. Even when a child not more than two and half a years of age, she took her first communion at the hands of "Uncle Dick" Thompson, and always after that, when opportunity was presented, she failed not to keep this sacred duty. When seven years of age, she stood at the altars of the church and took the vows that meant a life of service to God, and all good works.

October 12th, 1892, she and Rev. W. W. Watts, of the East Texas Conference, were united in marriage and she gladly faced the duties that are often trying and never less than heavy, those of the itinerant preacher's wife. September 23rd, 1912, after ten days of brave fighting, she closed her eyes to earthly scenes, and opened them to the glories of the "Beautiful Home Over There, where the inhabitant shall not say I am sick." The parsonage Queen! The preacher's wife! God bless her! She shall be crowned in that day when He makes up his jewels. Sister Watts filled that place. She filled it, in a way, and with a spirit that declared her to be the wise, faithful devoted worker that she was.

As a young lady she was not only graced with beauty of person, and a cultured and trained mind, but also possessed a beautiful character and a religious devotion that was attractive to all who knew her. The light of her Christian life shone out with sure and steady glow, and she worthily won that "good name that is rather to be chosen than great riches."

Her home life was beautiful, wise, even-tempered, patient, gentle, she was a dutiful daughter, a sympathetic sister, a devoted wife and a loving mother. In her home her light shone brightest, and her influence was most beautifully wielded. Truly of her it may be said. "Her children rise up and call her blessed, her husband also, and he praiseth her." Her husband, her own children and her adopted children are witnesses to her devoted life, and her consecration to the service of our blessed Lord; and in them, "she being dead, yet speaketh," She leaves a husband, four children of her own, a number of

adopted children, a father, mother, brother and sister and many other loved ones, and a large circle of warm friends in every charge that they served, in the twenty years of their married life, to mourn her going away, but we all know where she has gone, and are comforted with the hope of a happy reunion in the land where we will never say good-bye.

The pre-eminent grace of her beautiful life, was her unselfishness. She never saw a poor, neglected, motherless child that her heart did not go out to it, and many such child found in her arms a safe shelter of rest; and to many such she was a mother indeed. She shall receive a crown of wondrous beauty, and her reward will be full and abundant, for the Master said, "Inasmuch as ye have done it unto one of the least of these brethren, ye have done it unto me."

Her physical strength was not always equal to her love for, and interest in the work that opened up to her willing hands. Once, when her husband, solicitous about her health, urged her to spare herself, to give up some work that was peculiarly attractive to her, yet very trying and heavy, she said, "I would rather do good and die soon, than do nothing, and live a long time." And this was the spirit that possessed her at all times.

Her going away was peculiarly sad and, seemingly, untimely. So capable, so well fitted for the work in which she had put her heart, it seems that she could not be spared, and yet, He whom she served, knew where she was needed most, and He does not make mistakes.

Just past the midnight hour of a beautiful day, she "fell on sleep" and went up to receive her crown. Funeral services were conducted in our Church at Pittsburg, where her husband had been pastor for ten months, and where she had greatly endeared herself to the good people of the town by her life. A large circle of grief-stricken friends, whose sorrow was deeply written on their faces, gathered in that solemn hour to pay their last tribute of love. The remains were then taken to Jacksonville for interment, accompanied by a large escort of loving friends. There, where she had lived and worked for three years as the pastor's wife, in the beautiful church built during these years, a large number of sorrowing friends met to do honor to her memory. Loving tribute was paid to her Christian character. From the Church to the "silent city of the dead," a large company followed the remains. Fitting it was, that bowers of flowers should cover her last resting place, for she loved them almost passionately. We turned away with sorrowful hearts yet comforted with the assurance that she was at rest, and that if faithful, we would join her again" in the land of the unsetting sun." O. T. HOTCHKISS.

MRS. LEE L. LLOYD.

Mrs. Lee Lloyd (nee Miss Ada Belle Slaton) was born March 20th, 1884, and died at Jacksonville, Texas, April 4th, 1912. She was

united in marriage to Rev. Lee Lloyd, Dec. 76th, 1905, who, with their son, Levi Lloyd, born Sept. 27th 1901 survives her.

Sister Lloyd at the age of 16 years united with the Cumberland Presbyterian Church, where she lived and labored earnestly and faithfully for the Master, till in June, 1906, when with her husband she joined the Methodist Episcopal Church, South.

Sister Lloyd enjoyed good health for only about 18 months after her marriage. Until her health failed, her life was one of devout worship and willing, effective service in the Church; and those associated with her were strengthened by her passionate love for and her unwavering faith in her Saviour. Even in her affliction she found ways to give glory to God and serve mankind. In all of the long painful struggle between life and death which continued from weeks to months and dragged on through years of intense pain her patience and uncomplaining cheerfulness was remarkable.

Her pastor, Rev. Chas. T. Tally, spoke in the highest terms of her wonderful love to God and her faith in Him. Her faith in God was such that she prayed to him and he answered her until at last she said, "God has granted me the prayer of my heart. I prayed him to spare me to rear my boy to be five years old and he has. I will not ask him to continue my life longer. My only regret is to leave my husband and my boy here alone. I am ready to go, and he will care for them." Thus a faithful mother, a loving wife, a devout christian closed her eyes to the scenes of earth, and in the arms of Him whom she loved and trusted in all of life's struggles, and whose smile turns the darkening shadows to halos of light, she opened them on the richer, brighter glories of the other shore, to be at peace with Him forever.

The preacher who helps to place these strong Methodist books in the hands of his people, especially the officials of his church, will have done much toward putting his work in broader fields and of increasing the usefulness of those who get them. This is not a guess, but a certainty proven by actual experience.

Southwestern University

C. M. Bishop, A. M., D. D. President

A monument to the loyalty, consecration and untiring service of our preachers and laymen. The most magnificent plant and the only class "A" Institution of learning in Texas Methodism. For forty years a vital factor in the annals of our State.

Age counts for nothing unless it has brought helpful traditions, improvement and progress. Southwestern counts her years by the milestones on the highway of service to Texas life. The forty years show a record of steady growth and increased usefulness.

When considering the sending of a son or daughter to college, not only must it be considered to whom and to what he or she is to be sent, but also WHERE. Georgetown is thirty miles from Austin, with sixteen daily trains. No town in the State has improved so rapidly during the past few years. It is eminently a school town, free from saloons and other sources of vice. It is marked by its cultured-citizenship, its conservative atmosphere, its clean appearance, its beautiful homes, its miles of cement sidewalks, and its avenues of trees. Through it flows the historic and picturesque San Gabriel River. The scenery is itself cultural.

Several members of the faculty speak German. A large and well stocked section of the library is devoted to German texts. Many of the students are sons and daughters of the German-American citizens of the State.

Sons and daughters of Ministers are entitled to honorary scholarship.

Southern Methodist University

"A School With a Future"

Bishop Mouzon has said:

"We have other schools in Texas which are doing good work, and which are worthy of liberal gifts. But just now Southern Methodist University makes the most urgent appeal and offers the most inviting opportunity. This great institution is to be the property, not of any one conference, but of all the conferences in Texas, and the New Mexico and the two Oklahoma Conferences have voted to co-operate with us in this movement. We expect to build in Dallas a university for the Southwest. Indeed, I do not hesitate to say that it is my opinion that:

The Building of the Southern Methodist University
is the most important enterprise now before the
people of the Methodist Episcopal Church, South.
